Comment Text

This guy did the big no-no and talked about money. That was refreshing. I liked his point of view, and he gave me food for thought.

FLASHBELT SPEAKING FEEDBACK

DNA

Ok speaker. Covered a lot of common sense but good to hear as a reminder for managing client relations.

This was the best seminar of the session... given that we walked away with a ton of business information, tons of ideas, and free information about running a successful freelance business.
